POOL

A set of pool rules is posted in each set of the pool changing rooms. We draw your attention to the Institute of Sport and Recreation Management (ISRM) guidelines relating to the supervision of children in the pool, specifically that children under the age of 5 should be supervised by an adult on a one-to-one basis and that children between the ages of 5 and 8 should be supervised on a two-to-one basis. Members exceeding these ratios do so entirely at their own risk.
