SWIMMING LESSONS JANUARY 2019

IMPORTANT INFORMATION

We will be assessing the children already in lessons W/C 3rd and 10th December. Results will be posted on the swimming notice board on Friday 14th December for you to see.

Booking forms will be available on Friday 14th December (without credit card details). Please return to reception by Monday 17th December. Payment will still be taken online as per last term. Once your child's space has been allocated, you will receive an e-mail with a link to make payment.

Re-bookings will take place on the 18th December. Children already in lessons and those children that do not wish to change day will have priority.

Children wishing to join lessons will need to be assessed on the 15th December 11:30-12:00.

All children must be assessed and have current membership to join lessons.

Please make sure we have your current email address.

Sincerely,
Kathy Stewart
