2019

  
**COLETS**  
HEALTH & FITNESS

## CLASS ETIQUETTE & CANCELLATION POLICY

- **Book up to 7 days in advance online or via Reception.**
- **Please arrive 5 minutes before for all classes, and check-in at Reception. If you are late, you will not be able to participate.**
- **Body Pump/Express & all Group Cycle classes require ample time to set up your equipment before the class.**
- **An induction must be completed prior to booking any Suspension or Functional Training class. You can book inductions at Reception or with a member of the Gym Team.**
- **Cancellations require a minimum of 2 hours notice. This allows us to offer the place to someone else. Cancellation charges or booking suspensions may apply for repeat late cancellations or 'no shows'.**
- **Please complete the cool down at the end of each class.**
- **Please wipe and put away any equipment you have used.**

THANK YOU FOR YOUR UNDERSTANDING & CO-OPERATION.

**Caroline Taylor**

(Fitness & Wellbeing Manager)

## CLASS DESCRIPTIONS

**AQUA** A pool-based class to improve fitness, burn fat and tone muscles. Some classes will be deep water based.

**MIX** - Uses a variety of equipment and challenging exercises to make you work harder.

**HIIT** - Incorporates intensive cardio exercises to test you and improve fitness.

**BACK CARE** Strengthen your back and prevent injuries with a set of slow and controlled exercises. Please see Rodney in the gym prior to booking to ensure this class is suitable for you.

**BARRE CONCEPT** Incorporates precision moves with ballet technique. This low-impact, total body workout lifts bums, tones thighs, flattens abs and sculpts arms whilst protecting joints, giving a longer, leaner look.

**BODY PUMP** The ultimate workout that challenges your major muscle groups using squats, presses, lifts and curls. Great music & fast results! Express classes are for 45 minutes.

**BOXERCISE** Based on boxing concepts, this is fun, challenging & suitable for all fitness levels. Each session includes shadow-boxing, skipping, punch bag work, press-ups, shuttle-runs and sit-ups.

**CIRCUITS** Improves fitness, strength & flexibility. Suitable for all levels.

**CLUB ACTIVE** This offers a variety of classes and activities that are aimed at those new/returning to exercise or looking for more gentle classes.

**CORE CONDITIONING** Classes held in Studio 1, aimed at strengthening and flattening abdominal and back muscles.

**FITNESS PILATES** Utilises all Pilates principles, including mat-work exercises from traditional Pilates but offers modifications to provide a controlled body conditioning class. **NOT suitable for those with injuries.**

**FUNCTIONAL TRAINING** An intense strength & conditioning class which will improve joint mobility & stability using a variety of different circuits to put you through your paces over half an hour.

**GROUP CYCLE** The ultimate low-impact workout to burn fat fast & improve your fitness. Group cycling has a variety of styles:

**COACH BY COLOUR** - Power-based, using your FTP and accurate zonal training to improve your experience and performance.

**HIIT** - High Intensity Interval Training - a short but tough class!

**GYM CORE** Short, intense classes held in the gym, to strengthen and flatten abdominal and back muscles.

**INSANITY LIVE!**™ A cardio class based on max. interval training that will push you past your limits. Athletic/plyometric drills mixed with intervals of strength, power, resistance and core training. You don't have to be in extreme shape as levels for each exercise are provided. Time to dig deep!

**KONGA** A wild mash-up of boxing with rock & disco music. Fun & funky!

**PILATES** Classes focus on developing core strength, flexibility, balance and stamina. Students learn to be aware of breathing patterns and spinal alignment while engaging the deep muscles of the core. Various equipment - bands, foam rollers, rings, light weights, and balls - is incorporated to enhance and intensify the workout - **please check class levels before booking.**

**SIT & GET FIT** A chair-based fitness class that will use bands and weights to improve strength, flexibility, coordination and mobility.

**STRONG NOT SKINNY** A fun and effective conditioning class using free-weights to tone and strengthen your body into the shape you have always wanted. Learn strong & effective conditioning moves and notice a difference in how your body looks and feels.

**SUSPENSION CIRCUIT** As well as working on cardio fitness, you will use a system of straps, buckles and grips to work against your own body weight to build strength, balance, flexibility, endurance and core stability.

**SWIM FIT** Improve your swimming technique & stamina using swimming drills to work all muscle groups and increase your fitness levels.

**TOTAL BODY WORKOUT** A tough, low-impact workout, strengthening and conditioning the whole body, particularly those stubborn areas.

**YOGA** These classes have a unifying effect on mind, body and spirit, fostering health and harmony. We offer several types of yoga:

**DYNAMIC YOGA** - By combining breathing techniques with postures, the focus is on activating specific energy lines in the body to enhance physical and mental strength - excellent for energising and stress relief.

**GENTLE FLOW VINYASA** - A perfect class for beginners with traditional poses and relaxation.

**IYENGAR** - Emphasis on alignment and posture.

**IYENGAR FLOW** - Classical poses, with a focus on correct alignment.

**HATHA** - Achieve balance between body & mind through poses and breathing.

**POWER** - Strong precision moves in a warm room. Not suitable for beginners.

**YIN** - A relaxing yoga class which focuses on long-held, passive floor poses, typically 3-5 minutes, that mainly work parts of the lower body. Suitable for almost all abilities.

**ZUMBA** A dance-style class with Latin rhythms and easy-to-follow moves to create a fun & dynamic workout.
